A sight **to be seen**

Be it the elegant lines, the luxurious cabin or the integrated technology, this sophisticated sedan commands attention across all its facets. With a well-balanced engine packed with 190PS and 320Nm of torque, the Passat offers outstanding levels of refinement and innovation, from first glance down to the finest details.

The Passat R-Line trim package offers an exterior design styling which includes R-Line black headliner, front and rear aluminum scuff plates and sports pedals, leather wrapped multi-function sports steering wheel.

Standard in Elegance / R-Line

Designed to **connect**

With a suite of advanced features and intuitive controls at your fingertips, the Passat is equipped with technology that makes your busy life a little easier.

Whether it is to make a call while driving, look up current traffic information, pair up your phone using wireless App-Connect® or simply listen to your own music – the Passat is your hi-tech partner for the journey ahead.

Standard in Elegance / R-Line

Standard in R-Line

LED projector headlights with LED Daytime Running Lights help illuminate your drive as well as highlight your sense of style.

The Passat R-Line's Driver Profile Selection lets you change your vehicle's driving experience to match your personal driving style.

First-class comfort

For your comfort and convenience, the Passat comes equipped with 3-zone 'Climatronic' air conditioning, an interior ambient LED light with 30 different options, and electric tailgate system that opens and closes your tailgate simply with a press of a button.

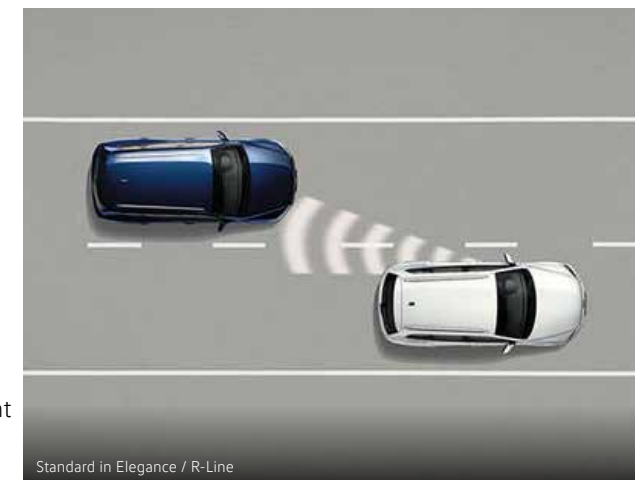

The Passat R-Line exterior package consists of R-Line black headliner, front and rear aluminium scuff plates and sports pedals, leather wrapped multi-function sports steering wheel. Its interior boasts Nappa Carbon leather seat upholstery, "Dark Diamond Flag" decorative inserts for dashboard on front passenger side and door trim as well as driver ergoComfort 14-way seats with memory and electric lumbar support.

Safety is priority

The safety systems in the Passat are crafted with a perfect balance of providing driving ease and preventive measures. From Tyre Pressure Monitoring System with pressure display, proactive passenger protection system, Rest Assist and Side Assist with Rear Traffic Alert, every journey is made safer so you can relax.

Side Assist constantly monitors blind spots and areas behind the car which is critical for lane changing. A symbol in the relevant wing mirror will lit up to warn the driver of potential risks.

Volkswagen
Cares

We are committed to care and provide the best for Volkswagen customers. More than just a loyalty program, Volkswagen Cares applies on all levels and embodies how we interact, engage and serve our customers better.

Customers may also download the Volkswagen Cares mobile application, an aftersales - led initiative to continuously improve the ownership experience. The mobile app comes with a list of features related to both sales and aftersales, including service offers, owner rewards, educational videos and tips event updates, and 24-hours' roadside assistance - all at the touch of a button.

Body & Paint

Safe and strong: Volkswagen Genuine Body Parts give your Volkswagen the necessary stability and offer you the best possible protection in the event of an impact. As we have developed all parts especially for your original, they fit like a glove. The result: You save time and costs in any repair and your Volkswagen remains an original through and through. Best of all, our paint and workmanship comes with 2 years warranty for peace of mind.

Volkswagen Care Plus (VCP)

An integral part of Volkswagen Cares is Volkswagen Care Plus (VCP), an exclusive program for owners with a vehicle 5-years and older. With a minimal one-time payment fee, VCP member privileges include three 20% service discounts vouchers, 2-year extension of Volkswagen's Roadside Assistance, and more rewards. Interested customers can sign up at any authorised Volkswagen dealer to make payment before receiving their membership card.

24-hour Roadside Assistance

When your Volkswagen has a breakdown, our 24-hour roadside assistance service team is readily available to help you with the following services:

1. Tow assistance and recovery to the nearest Volkswagen service centre. For security reasons, towing service will not be provided to an unattended vehicle.
2. Emergency telephone call to family or friend of the Volkswagen driver.
3. Battery jump start. If your vehicle cannot be driven safely, towing services will be provided.
4. Flat-tyre change (if spare tyre is available) in a safe environment. Otherwise, towing service will be provided.

All the above is subject to terms & conditions as stated on volkswagen.com.my
