All space, all adventure

Enter the SUV that does it all - the Tiguan Allspace. With 2 extra seats in the back, it opens the door for more spontaneous moments, catering to your dynamic and adventurous life. For the R-Line edition, the Tiguan Allspace is a true force to be reckoned with. When the powerful 2.0TSI engine kicks in, so does the exhilaration. With 220PS, 350Nm of torque and a 4MOTION all-wheel drive, this sporty SUV takes you to new heights effortlessly.

7 seats, whenever you need

Travelling with lots of luggage or companions? Not a problem for the Tiguan Allspace. There's as much luggage and legroom as you could wish for, and the flexible second and third row seating gives you the freedom to spontaneously change plans, as you wish.

Whether it is to make a call while driving, look up current traffic information, pair up your phone using App-Connect® or simply listen to your own music - the Tiguan Allspace is your hi-tech partner for the journey ahead.

Stand out from the rest with the R-Line exterior and interior package which adorns the front grille, sport bumpers, and more.

Absolute comfort

When it comes to comfort and style, the Tiguan Allspace offers the best of both worlds. It comes equipped with 3-zone Climatronic air conditioning, 12-way driver electric seat adjustment with powered lumbar support and massage function. In the R-Line edition, the luxurious 'Vienna' leather seats with the characteristic 'R-Line' emblem on the backrests add an elegant touch while providing maximum support.

Exclusive for R-Line

Select your preferred driving mode from Comfort, Eco & Sport. The R-Line comes with Dynamic Chassis Control which helps you adjust your driving experience by modifying the suspension for each of the vehicle's wheels, plus an additional Off-Road Profile for better control and handling.

Exclusive for R-Line

State-of-the-art technology

The Tiguan Allspace comes with an electric tailgate system that opens and closes your tailgate simply with a press of a button.

Standard in Highline / R-Line

Standard in Highline / R-Line

The safety systems in the Tiguan Allspace are crafted with a perfect balance of providing driving ease and preventive measures. It comes with Anti-lock Brake System (ABS) with Brake Assist (BA), ISOFIX child seat anchor system, 6 airbags, and the Electronic Stabilization Control (ESC) system designed to maximize road holding and improve responses, especially when cornering.

Volkswagen Cares

We are committed to care and provide the best for Volkswagen customers. More than just a loyalty program, Volkswagen Cares applies on all levels and embodies how we interact, engage and serve our customers better.

Customers may also download the Volkswagen Cares mobile application, an aftersales - led initiative to continuously improve the ownership experience. The mobile app comes with a list of features related to both sales and aftersales, including service offers, owner rewards, educational videos and tips event updates, and 24-hours' roadside assistance - all at the touch of a button.

Body & Paint

Safe and strong: Volkswagen Genuine Body Parts give your Volkswagen the necessary stability and offer you the best possible protection in the event of an impact. As we have developed all parts especially for your original, they fit like a glove. The result: You save time and costs in any repair and your Volkswagen remains an original through and through. Best of all, our paint and workmanship comes with 2 years warranty for peace of mind.

Volkswagen Care Plus (VCP)

An integral part of Volkswagen Cares is Volkswagen Care Plus (VCP), an exclusive program for owners with a vehicle 5-years and older. With a minimal one-time payment fee, VCP member privileges include three 20% service discounts vouchers, 2-year extension of Volkswagen's Roadside Assistance, and more rewards. Interested customers can sign up at any authorised Volkswagen dealer to make payment before receiving their membership card.

24-hour Roadside Assistance

When your Volkswagen has a breakdown, our 24-hour roadside assistance service team is readily available to help you with the following services:

1. Tow assistance and recovery to the nearest Volkswagen service centre. For security reasons, towing service will not be provided to an unattended vehicle.
2. Emergency telephone call to family or friend of the Volkswagen driver.
3. Battery jump start. If your vehicle cannot be driven safely, towing services will be provided.
4. Flat-tyre change (if spare tyre is available) in a safe environment. Otherwise, towing service will be provided.

Terms and conditions apply. Updated as of February 2021.
